AUTODRIVE

Paying It Forward

EV CARE +

ELECTRIC · HYBRID · PLUG-IN HYBRID

Peace of Mind for the Road Ahead.

BUILT FOR EV DRIVERS

At AutoDrive, we understand electric vehicles—and we've designed our coverage to match the way you drive. Whether you're commuting, adventuring, or just enjoying the quiet confidence of your EV, our extended warranty plans are built to protect your investment long after the factory warranty ends.

Legal Assistance
Unexpected peace of mind

Plans up to
10 years / 200,000 km

Coverage starts
the day you sign up

Battery Degradation
Wear doesn't cancel coverage.

No Limit Per Repair
Major repairs covered.

Ride-Share Friendly
Ride-Share drivers welcome.

POWERED PROTECTION

"We protect the power behind your drive—so you can focus on the journey, not the repairs."

At AutoDrive, our extended EV warranty plans are designed specifically with these unique challenges in mind. We offer comprehensive coverage that begins the moment you sign up, helping you avoid surprise repair bills and giving you the confidence to drive longer, further, and stress-free. From internal chargers to battery management systems, we've built our protection around the parts that matter most in your EV.

We understand that technology evolves, and so do your needs as an EV owner. That's why our coverage includes key systems like autonomous driving components, media displays, climate control, and more—so you're not just protected against mechanical issues, but also the modern tech that defines your driving experience. It's protection that works with your lifestyle, not against it.

With AutoDrive, you don't have to choose between innovation and peace of mind. Our plans are built to support your EV journey from day one, so you can enjoy all the benefits of electric driving—without worrying about what happens when something goes wrong.

GOLDEN COVERAGE

COMPONENT	COVERED PARTS
TRACTION BATTERY AND TRANSMISSION	All internal parts; torque converter; vacuum modulator; mounts; covers, pans and cases are covered if damaged by the Failure of an internally lubricated moving part. Note: No Coverage is afforded for clutch assembly; pressure plate; flywheel; throw out bearing; worn synchronizers or cables.
TRANSFER UNIT (4x4) ELECTRONIC SHIFT ON THE FLY SYSTEM (ESOF)/AWD SYSTEMS	All internal parts; transfer case is covered if damaged by the Failure of an internally lubricated moving part.
DIFFERENTIAL / electronic differential (ED/EDS)/DRIVE AXLE(S)	All internal parts; CV/Tripod joints; differential case is covered if damaged by the Failure of an internally lubricated moving part; Viscous coupler.
SEALS AND GASKETS	Seals and gaskets, if needed, are covered for the following assemblies: Turbo/Supercharger; Transmission; Transfer Unit and Drive Axle(s); Steering; Front Suspension; Brakes and Air Conditioning.
STEERING (Manual or Power)	All internal parts in rack and pinion; power steering motor (EPS); Reduction Gear; steering main and intermediate shafts; Pitman arm; idler arm; tie rod ends; drag link/center link.
ELECTRICAL	Power seat motors; power window motors, regulators and drives; wiper motor(s) including circuit board, relay and delay switch; manually operated switches for power windows, power seat(s), turn signal switch, headlamps (front and rear), emergency warning flashers; horn button/switch; power door lock actuators; trunk/hatch actuator.
FRONT SUSPENSION	Upper and lower control arms, control arm shafts and bushings; upper and lower ball joints; steering knuckles; stabilizer shaft, link and bushings; strut bar and bushings; spindles and spindle supports.
BRAKES	Master cylinder; power assist booster and valve; wheel cylinders; calipers; combination valve; steel lines and fittings; vacuum assist booster pump; springs, clips and retainers; self-adjusters; rear activators.
AIR CONDITIONING	Compressor; internal assembly including pistons, rods, bearings, valves and shafts; clutch; coil and pulley; orifice tube; condenser; evaporator; manual switches. Note: Golden Coverage does not include ABS systems.
ELECTRONICS	ESC/EEC/ECM module; electronic digital instrument cluster; digital driver information display and module; instrument panel printed circuit board.
CHASSIS HARDWARE	Step bumpers and mounting brackets; spare tire carrier, swing arm, pivots, latches and locks; factory installed running boards; swing out mirror arms and mounts; pop-out or sliding side/rear window latches and hinges; convenience bed liner (not warpage); tailgate handle, lock, cables, hinges and latches; cargo lamp; tie downs. Note: Rust/oxidization damage and Failures caused by rust/oxidization are expressly excluded.

PLATINUM COVERAGE INCLUDES GOLDEN + FOLLOWING:

COMPONENT	COVERED PARTS
STEERING (4 WHEEL)	Control unit; actuator; mode selector; position sensor; Steering angle sensor; Torque Sensor; rear tie rod assembly; rear gear/rack and pinion assembly; Electronic power Steering Module/Motor; Housings covered if damaged by the Failure of an internal part.
ELECTRICAL	Traction battery power Level Gauge; heated back glass elements (glass is not covered); rear wiper motor; heater blower motor; horn; factory installed sun/moon roof motor and its wiring harness and switches; convertible top motor and switches; switches.
FRONT AND REAR SUSPENSION	Macpherson struts; shackle bushings and eye bushings; springs, torsion bars and bushings; stabilizer linkage and bushings; wheel hub/bearings and seals; automatic leveling unit compressor, sensor and limiter valve.
ANTI-LOCK BRAKES (ABS)	Electronic control unit; anti-lock computer module; wheel speed sensors/exciters; proportioning valves; high pressure hydraulic pump; electro-hydraulic proportioning control valves; accumulator.
AIR CONDITIONING	Expansion valve; dryer tank; accumulator; POA valve; hi/low pressure cut-off switch; ducts and outlet hoses; automatic temperature control programmer.
ELECTRONICS	Remote keyless entry transmitter and receiver; heated side view mirror element; cruise control servo, module and transducer; compass; speed sensor; thermometer; Motor control Position Sensor; Motor Control Speed Sensor Battery Management current Sensor; Transmission Current Sensor.
COOLING	Motor cooling fan motors; heater core.
INTERIOR/EXTERIOR	Glovebox door and hinge; manually operated seat tracks; adjustable pedals; interior and exterior door handles; door hinges; map/courtesy light assembly; hood, trunk and hatch gas cylinders; hood, trunk and hatch hinges; speedometer head.
SEALS AND GASKETS	Seals and gaskets, if needed, are covered for the following assemblies: Rear Suspension and Anti-Lock Brakes.

DIAMOND COVERAGE INCLUDES PLATINUM + FOLLOWING:

COMPONENT	COVERED PARTS
GPS Navigation System	Navigation display unit, navigation control module, navigation system wiring harness. The following parts are specifically excluded: antennae; cables and wiring; vehicle proximity detection devices (e.g., sonar/lidar).
Phone System	Charger, phone (if installed by the original equipment manufacturer), microphone, speakers. The following parts are specifically excluded: antennae; wiring & cables.
TV/Video Entertainment System	LCD screen, digital video disc player/Blu-ray player, power converter. The following parts are specifically excluded: remote control; cables and wiring; headphone.
Internet Access Systems	Power converter, satellite receiver, satellite dish or wireless receiver (where available). The following parts are specifically excluded: wiring & cables.

Note: Diamond Coverage offers comprehensive protection. Vehicles with screens 12 inches or larger require the Enhanced Electronics Package. Please ask your dealer for more details.
